# The Marina debit card

In the Marina where you are, you need to activate the debit card, by purchasing credit.
Outside the Port Office is a coin operated machine to purchase credit for your debit card
or during office hours credit can be purchased at reception in the Port Office.
If there is credit remaining at the relevant port, the remaining amount will stay on the
debit card and can be used in the following years.

With the Marina debit card we provide the following possibility:

**To open the gate**= FREE

- Keep your card in front of the card reader.
- At first appears €….., your credit on the display.
- Then appears €0.00.
- Pull away your debit card, wait one second and now you can push/pull open the gate.

**Electricity**

- Place your card before the reader
- The display screen will light up and you will see your credit.
- Press the button where to your plug is.
- You will see that 1 euro of your credit will be debited.
- Remove your card from reader **(For 1 euro will you get 1.3 kWh power, 10 Amp)**
- If you would like to purchase electricity for a longer time this is possible up to 4 x 2 kWh by repeating the process above.
